Old Business**1. 51st District Court - Budget Amendment Request**

The following memo from Judge Kuhn and Jen Thom, Court Administrator, was presented at the March 28, 2016, Township Board meeting and postponed until the April 11, 2016 Township Board Meeting.

The 51st District Court respectfully requests a budget amendment in the amount of \$94,150 for the 51st District Court's 2016 operating budget. This entails a restoration of only some of the \$86,447 cut from the Court's budget on November 6, as well as \$23,000 to fund 2% compensation increases for Court employees in line with increases being accorded to Township employees.

As you may know, two recent events have had a bearing upon the Court's 2016 budget: 1) the sudden and unexpected resignation of Judge Switalski and delay in appointing a replacement judge; and 2) the November 6, 2015 reduction of the Court's budget by \$86,447 after the Court had already cut its budget by \$58,094.

1. Judge Switalski's Resignation

The unfortunate result of the delay in appointing a replacement for Judge Switalski is a loss of funding from the State of Michigan in the amount of \$138,272. While the State of Michigan has been temporarily relieved of incurring the cost of the judicial salary, the caseload cannot effectively be met by a single judge. Preliminary analysis of our 2016 filings yields the judicial workload of 16,410.50 minutes or 1.27 Judges (see attached). As the Board is aware, to cover the docket, the Court is currently utilizing visiting judges two days per week and has scheduled a magistrate every Wednesday afternoon to handle the caseload. Unfortunately, the State of Michigan does not subsidize the costs of visiting judges or magistrates as it did Judge Switalski's salary. This means that the expense of covering the docket has shifted from a subsidized expense to an expense incurred by the Court. The court estimates the cost to maintain coverage through the remainder of the year will be \$51,150.

2. Budget Reduction of \$86,447

The Board will note the Court's budget is without a contingency line. The unexpected November 6, 2015 budget cut of \$86,447 (after the Court's \$58,094 budget reduction) essentially defunded the Court's bookkeeping/financial administration function and presented a significant dilemma. To date, the Court has been required to incur \$15,000 in unanticipated legal expenses to assess and advance its position, far exceeding those incurred in recent memory. The Court is optimistic tonight's amendment will bring closure to this expense, but notes that despite similarly optimistic expectations of ongoing communications expressed at the Board's February 29, 2016, special

51st District Court - Budget Amendment Request Continued.

meeting, the Township's attorneys have not yet had substantive communications with the Court's attorney on the budget issues. The Court is requesting \$20,000 to cover past and anticipated legal costs resulting from the unexpected budget cut.

3. Compensation Increases

Historical and recent communications cause the Court to understand that Court employees could expect a compensation increase equivalent to any granted to Township personnel. Budget amendments were recently adopted for General, Police, Fire, DPW and Library Fund employees, granting 2.0% pay increases for 2016 (as well as 2017 and 2018). As such, the Court requests \$23,000 to afford its full and part-time employees the same increase.

Recent communications cause the Court to believe that the Township administration now understands the need to fund the bookkeeping/financial administration function as well as a Court Information Specialist position designed to meet the technology mandates of the Michigan Supreme Court. The Court is pleased to inform the Township that efficiencies achieved peripheral to the departure of Judge Switalski have resulted in savings sufficient to fund those two needed position and compensation upgrades.

In summary, the Court requests an additional \$94,150 be added to its lump sum budget to cover the costs of providing visiting judges and magisterial support related to the judicial vacancy, to sponsor the 2.0% general salary increase for full and part-time employees and to cover the unexpected legal expenses.

Judge Kuhn requested a postponement until April 25, 2016, pending receipt of the attorney's letter.

Moved by Camilleri,

Seconded by Bartolotta, RESOLVED, to post pone the 51st District Court Budget Amendment Request to until the April 25, 2016, Township Board Meeting.

Motion carried unanimously.
